Major General W. S. Stone, USAF  
Superintendent  
U.S. Air Force Academy  
Colorado

Dear General Stone:

Thank you for your letter of 4 August 1960, inviting me to visit the Air Force Academy to address the cadets next fall or winter in conjunction with a possible appearance at the same time at the University of Denver.

I appreciate very much both your invitation and your endorsement of the University's invitation of last month to what for me would surely be an interesting occasion. As I previously wrote to Dr. Korbelt at the University, I have no plans as yet that would call for a trip to Colorado next fall or winter, but I will surely keep both of you informed if such an occasion might materialize. I do hope that we can get together.

Sincerely,

Allen W. Dulles
